

# Pilot B Corp CLINIC

## JOIN AN INTERDISPLINARY TEAM OF STUDENTS TO HELP GUIDE THE FUTURE OF LOCAL SUSTAINABLE BUSINESS

Make a difference at Anderson's 2021 B Corp Clinic. Over 12 weeks student teams will act as changemakers to help local companies to use their business as a force for good. Students will aid in conducting B Lab's Impact Assessment and support clients in reaching their clinic goals.

**APPLY TODAY: STUDENT APPLICATIONS ARE DUE FRIDAY, SEPTEMBER 10**

[mgt.unm.edu/nmforgood/b-corp/for-students](https://mgt.unm.edu/nmforgood/b-corp/for-students)

“The B Corp movement is the most important social movement you’ve never heard of. If you care about rising inequality and decreasing economic mobility, the climate crisis, the coming soil and water crisis, and the political tribalism, then you should care about the B Corp movement.”

Christopher Marquis

### STUDENT EXPECTATIONS:

Selected students will gain marketable, real-world experience while networking with some of the most forward-thinking and socially responsible businesses in the state. It is expected that students will:

- Commit three to six hours per week to the project
- Attend all key clinic events (times and locations TBD)
- Attend and actively participate in the weekly conference calls and miss no more than two required team meetings
